

Dress Code: students should dress as though they were going to a regular dance class; they do not, however, have to follow a dress code like they do within the regular dance season. This applies to everyone taking dance camps; with the exception of the Ballet Intensive students. See camp description for specific details.

-Students should be prepared with their own drinks and snacks if applicable. We recommend all younger student camps bring a light, clean snack. Vending & drink machines are available in studio.

-Camp attendance must meet the minimum requirement in order for the class to be held. Families will be notified if any enrolled camps will be cancelled.

-Summer camp deposit must be paid in full at the time of registration. Remainder is due before first class.

-Please enroll for summer camps at Eastern Shore Dance Academy.
